Note: Please see the papers at (2) in regard to the provision of electric lights on the north wharf, passenger shed and south stacking area of Mangalore port, particularly pages 31-34 of (2). In view of the discussions there it appears desirable to get the estimate scrutinized by the C.E.(El) and also get his remarks in regard to the execution of the work. The draft above provides for this. (It may be mentioned in this connection that it has separately been decided that estimates for all electrical works should be prepared by the C.E.(El), though official orders in that regard have not yet been issued).

Sir,

Sub: Ports - Mangalore - Providing Electrical installation on South Wharf and Dry Dock Area Estimate for Rs.21,000/-

Ref: Government Memorandum No. 106514 F/53-1, dated 28-12-1953.

***

The plans and estimate for the above work are returned to Government with the following remarks:-

1. The estimate rate for item 1 appear to be reasonable.

2. The estimate rate for item 2 is somewhat high. A rate of Rs.4/- per yard would generally be sufficient.

3. The tubular poles shown in Plan No. SD.19/53-54, would require proper anchoring by means of a base plate with holding down bolts.

Sir,

Sub:- Ports - Mangalore - Providing electric lights on the south wharf and dry dock area - Estimate revised and forwarded.

Ref:- Government Memo No.106514 F/53-5, P.W., dated 29-3-54.

Regarding the suggestion of the Chief Engineer, P.W.D., on the rate for item 2 of the above estimate, I furnish hereunder for perusal of Government, particulars of the sanctioned estimate rates and accepted tender rates for the same description of work (laying under ground cables etc.) in respect of works already carried out in this department.

Laying under ground cables.

	Sanctioned estimate rate.	Unit	Accepted tender rate.
(1) Providing electric lights on the north wharf, passenger shed and south stacking area at the port of Mangalore - Estimate Rs.15,000/- Sanctioned in G.O.Ms.No.817,P.W.dated 29-2-52.	4-0-0	One R.ft.	5--0--0
(2) Electrification of stacking areas and both piers at the port of Kozhikode Estimate Rs.12,500/- Sanctioned in G.O.Ms.No.1196, P.W., dated 18-3-52.	4--0-0	One R.ft.	5--0--0
(3) Electrification of wharves at the port of Nagapattinam Estimate Rs.4,150/- Sanctioned in G.O.Ms.No.2399,P.W.,dated 3-6-53.	L.S.	One yard.	15--8--0
(4) Electrification of Wharf area at the port of Cuddalore - Estimate Rs.10,500/- sanctioned in G.O.Ms.No.4461,P.W. dated 30-11-53.	15-0-0	One yard.	9--8--0

From the above it appears that the rate of Rs.4/- per yard suggested by the Chief Engineer may not be workable. The rate of Rs.5/- per R.ft. provided in the present estimate is based on the accepted tender rates for similar works executed; vide item (1) above. However, in order to reduce the estimate amount consistent with the average workable rate based on those shown above, the estimate is revised adopting a rate of Rs.4/- per R.ft. in item (2) and resubmitted herewith for favour of sanction. Necessary provision has been made in the current year's Budget Estimate of the Mangalore Landing and Shipping Fund.

Item (3) of the Chief Engineer's suggestions is noted.

Yours faithfully,

State Port Officer.

Sir,

Ports – Mangalore Port Trust – Provision of Electric lights on South Wharf and Drydock area – Estimate Rs.1865/.
Ref: G.O.Ms.No.1828 P.W. dated 20.5.1954.

******

With reference to the Government Order cited, I have to state that three tenders were received from the marginally* noted firms for the work of Electrification of South wharf and Dry-dock area. The tender offered by Sris Jaigopal & Co., Madras being the lowest one, it has been accepted by the Mangalore Port Trust Board Vide copy of resolution No.2 dated 12.4.1955 of the Board enclosed.

1. Sris Jaigopal & Co., Engineers & Contractors, Madras.
2. The Modern Engineering Works, Mangalore.
3. The New India Electric Works, Mangalore.

As per further request of Sris Jaigopal & Co. to allow them to claim sale tax at Re.0.0.3 per rupee on 80% of the contract value, the Mangalore Port Trust Board in its resolution No.80 dated 14.6.1955 has sanctioned payment of Sales-tax (copy of resolution enclosed). Accordingly clause 4 has been inserted in the draft agreement.

Necessary earnest money and Security deposits as per conditions of the tender notice (copy enclosed) have been furnished by Sris Jaigopal & Co. The draft agreement duly executed by the Co. is herewith submitted for favour of acceptance and return (as the estimate was sanctioned by the Government, the agreement, I presume, is to be accepted by Government).

The tenders received from the aforesaid firms are also submitted herewith for perusal and return.

Chairman.

Memo. No. 57247F/55-1 dated 14-7-1955.

Port Trusts – Mangalore – Provision of electric lights on South Wharf and drydock area – Agreement – Acceptance.

From the Chairman, Mangalore Port Trust letter no. 2157/54.38 of 16.6.55.

The Chairman, Mangalore Port Trust is informed that as the amount payable under the agreement is less than Rs. 25,000/=, the question of acceptance of the agreement by government does not arise – vide section 93 of the Mangalore Port Trust Act, 1953. The fact that the estimate was sanctioned by the

Govt., (before the constitution of the Mangalore Port Trust Board) cannot alter the position as set out above.

2. The papers received with the letter cited are returned herewith to the Chairman, Mangalore Port Trust.

C.No. 106514F/53.

Ports - Mangalore - Provision of Electric lights on South Wharf and Dry Dock Area - Estimate for Rs. 18,650/- - Sanction of.

From the S.P.O. Letter no. 649.SD/53.1 of 8.12.53.
To the CE (El) Memo. No. 106514 F/53.1 of 28.12.53.
From the CE(El) Letter no. 39WKs/54.3 of 2.3.54.
To the S.P.O. Memo. No. 106514F/53.5 of 29.3.54.
From the S.P.O. Letter no. 649 SD/53.3 of 14.4.54.
To the CE PWD (El) T.M. no. 106514F/53.6 of 4.5.54.
From the CE PWD (El) TM. No. 39.WKs/54.5 of 6.5.54.

In Dec. 1953, the S.P.O. submitted an estimate amounting to Rs. 21,000/- for the work of providing electric lights on the south wharf and dry dock area at the Port of Mangalore for the sanction of Govt. The CE. PWD (El) to whom the estimate was sent for scrutiny and remarks made certain observation in regard to the estimate. These remarks were communicated to the S.P.O. and he was asked to revise the estimate suitably. In his letter on p29 of, the S.P.O. has stated that the rate of Rs 4/- per yard suggested by the CE. for item 2 of the estimate may not be workable as the accepted tender rate for similar kind of work previously was Rs. 5/- per running foot. He has however revised the estimate adopting a rate of Rs. 4/- per running foot for the item against the originally adopted rate of Rs. 5/- per running foot. The estimate now amounts to Rs. 18,650/- against the original amount of Rs. 21,000/-. The CE. PWD (El) who was requested to clarify whether the rate suggested in his letter of 2.3.54 is for one yard or for one running foot, has now reported that it is only for one running foot. In view of the fact that the revised estimate submitted by the S.P.O. also provides for a rate of only Rs. 4/- per

running foot, the same rate as suggested by the CE PWD (SI) it may perhaps be sanctioned. Draft below is for consideration.
